

WARHAMMER AGE OF SIGMAR

EXTRA ACTIVITY 1

Each Stormhost has its own symbol that often appears as an emblem on their shield. The model with the Activity Magazine is a Hammer of Sigmar, represented by the iconic hammer and lightning bolts. Use the outline below to design your own shield emblem.

Think about how your symbol can visually convey your chosen Stormhost name and characteristics, and how it will complement your designed colour scheme.

WARHAMMER AGE OF SIGMAR

EXTRA ACTIVITY 1 (CONT)

Cut out and incorporate these shapes into your design, or use these shapes as a starting point to design your own.
