

WARHAMMER ALLIANCE LEADER'S GUIDE

2022-23

INTRODUCTION

Welcome to the Warhammer Alliance, a network of teachers and youth leaders who are using the hobby of Warhammer to nurture skills in young people across the world. Our aim is to provide you with the tools to support group learning in mathematics, engineering, literacy, art, and design, and the acquisition of life skills via building, gaming and reading.

This handy guide details what is included in your Warhammer Alliance box. It also walks you through what content you can find on our dedicated website, including ready-made plans, bonus activities and more, helping you shape a group that supports the learning outcomes for your organisation.

As a leader in the Warhammer Alliance, you are never alone. Access helpful online resources and videos at a click of a button or visit one of our friendly staff in your local Warhammer store.

GET THE APP

The Warhammer Age of Sigmar and Warhammer 40,000 apps are great ways for you to keep track of the rules and to answer any questions your young people might have.

They can be downloaded for free, and contain basic rules, missions, and warscrolls detailing the abilities of each model.

HEALTH AND SAFETY

The Warhammer hobby involves the use of tools, glues, and paints to build and create beautifully detailed miniature models to use in games. Always follow your organisation's safety guidelines and policies. Extended health and safety guidelines for products included inside the box, as well as a template for carrying out risk assessments, can be found in our online leader's resources.

- All of our paints are water-based acrylics and are safe to use. However, if spilt on some fabrics they may leave a permanent stain.
- Modelling cutters are required to remove individual pieces from a frame in order to build the model. Cutters have sharp edges, similar to wire cutters or nail clippers.
- Recommended age logos and safety warnings are displayed on most of our products. These are in place for a variety of reasons including small parts, age appropriateness or the contents may contain something restricted by law, such as solvents. We advise that you obtain permission from any young person's parent if they are under the age displayed.

GET YOUR GROUP INVOLVED WITH BATTLE HONOURS!
